Health & Dental Plans

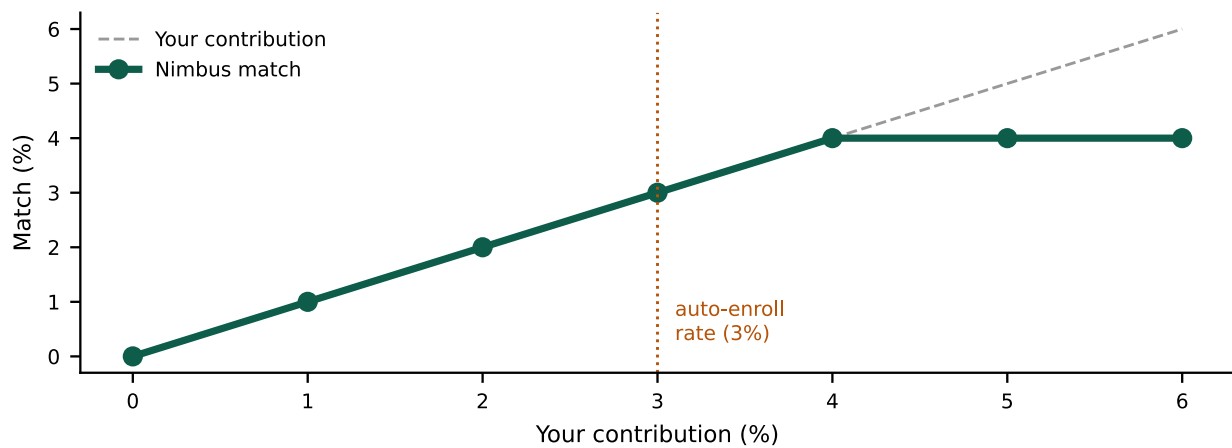

All full-time employees are eligible for medical, dental, and vision coverage starting the first of the month following their start date. Nimbus covers 85% of the premium for employee-only coverage and 70% for dependents across all three plan tiers below.

Plan	Deductible	Employee cost/mo	Out-of-pocket max
PPO Base	\$1,500	\$45	\$4,000
PPO Plus	\$750	\$95	\$3,000
HDHP + HSA	\$3,000	\$15	\$5,000

HSA gets a company match. Enroll in the HDHP + HSA plan and Nimbus contributes \$600/year (\$50/month) to your HSA automatically — on top of anything you contribute yourself.

Retirement & 401(k)

Nimbus matches 100% of the first 4% of salary you contribute to your 401(k), vesting immediately — there is no vesting schedule. Enrollment is automatic at a 3% contribution rate unless you opt out or change your rate within your first 30 days.

Auto-enrollment starts at 3%, not 4%. To get the full match, increase your contribution to at least 4% in the benefits portal — auto-enrollment alone leaves 1% of match unclaimed.

Time Off & Leave

Nimbus uses a flexible PTO policy for exempt employees: no fixed accrual, no cap, manager-approved. Non-exempt employees accrue 15 days in year one, increasing to 20 days after three years of tenure. All employees receive 11 paid company holidays plus two floating holidays per year.

Leave type	Duration	Pay
Parental leave (primary)	16 weeks	100%
Parental leave (secondary)	8 weeks	100%
Short-term disability	Up to 12 weeks	60%
Bereavement	5 days	100%
